

About AEC

Our long-standing success is based on our Core Values of being Humbly Confident, Doing the Right Thing, Having a Can-Do Attitude, Focused on Customer Success and Caring.

For more than 75 years, Air Equipment Company (AEC) has provided air equipment and services for nearly every HVAC application. We are recognized for groundbreaking innovation and tackling the most challenging projects. Our manufacturer list includes over 45 manufacturers most of which are leaders in their class, including: AAON, ABB, Aircuity, ClimateMaster, Condair, JCI, LG, Multistack, Phoenix Controls and York.

Our product line offers a variety of equipment, which is designed to create comfortable, healthy and energy-efficient environments. Our sales engineers have extensive experience in HVAC equipment and systems design and application. With the wide array of technologies we offer, we can make certain you have the right equipment to fit your needs.

Our History

Air Equipment Company was founded in 1946 by Hank Lutes as the Kentucky Representative for AAF & Buffalo Forge.
